

## Katsuura Morning market Tour

400年以上続く朝市や伝統と文化の寺社を巡るガイドツアー

The city of Katsuura is well-known for its morning market, Katsuura Big Hina Doll Festival, and bonito (skipjack tuna). But there is much more to the city than this! People will travel from Tokyo just to perform "water-drawing" at a certain temple. One traditional inn has even been designated as a Tangible Cultural Property! That is why we established the Katsuura Walking Tour Guides. Our guides are all graduates of a training course sponsored by the city's tourism association. We will do all we can to help you enjoy Katsuura to the fullest.
