

コンテンツ名 Title	No.15 Experience the rich nature of Hakone by visiting Kamakura kodo path and Yusakamichi			エリア Area	Kowakidani - Yumoto area	設定期間 Available Date	All year round		
特徴 Features	Ashigara route which was the major road was closed after Mt.Fuji exploded in 802. Yusakamichi and Kamakura kodo were created instead. The noblemen (bushi) used to travel to the three important shrines of Hakonegongen, Izusangongen and Mishimamyojin. They would use this new route and it is recorded that Minamoto no Yoritomo also walked this road. This route has a longer history than the Old Tokaido Way. Secluded and uncrowded route where visitors can quietly experience the rich nature of Hakone.			手仕事日 Clearing day	7 days prior to the tour date (by 0:00 AM)	インバウンド対応	○ (Accompanied by AT Guide)
