行程 Itinerary

Date, Time, Meal			名称 Name	概要 Overall	備考 Note	ガイド Guides	住所 Address / TEL
Start	Finish	Time					
			Mikawaya Ryokan inn	Established 1883. A Ryokan inn with outstanding history. All the hot springs are from the premises. The large bath was renewed in 2015. Restaurant area was newly constructed, and offers a splendid view of Hakone mountains. Founder Enomoto Kyozo created Horaien gardens. Widely know for its Tsutsuji azalea flowers, the grounds of 6,000㎡ are covered with 30000 plants of 40 different azaleas. The acer trees planted across the Ryokan by the route 1 are also well-known for its colorful beauty in	Ideal to combine with "Yusakamich Hiking" tour on the next day of staying. For guests who are not keen on hiking, walking around Horaien・Chisuji Falls would be recommended as it flat with less elevation.		Hakonemachi Kowakidani 503 0465-43-8541
			Fukuzumiro Ryokan inn	Established 1890 in the area of Toyosawa, which was one of the historic seven hot-springs of Hakone (Hakone-Nananayu) Daimaruburo is a bath-tub created from a huge bark of pine-tree. It is a famous bath that is often introduced in different medias. Guests are able to enjoy the bath while listening to the Hayakawa river running nearby. The building is renowned for its valuable Kyobushin Sukiya-style architecture. Registered as an Important cultural property. Each room are decorated individually. Fukuzumiro is Japan's 20 heritage of the 20th century	Yumoto has numbers of historic buildings in the surrounding area. ・Kanreidomon tunnel 　(Important cultural property) ・Asahi bridge 　(Selected as 100 bridges of Kanagawa) ・Mansuiro Fukuzumi 　(Important cultural property) ・Motoyu Kansuiro 　(Tangible Cultural Property)		Hakonemachi Tonosawa 74 0460-85-5301
