Discover Hidden and Spiritual Spots around Mt.Fuji

Mt. Fuji was once a "land forbidden to women" and women were not allowed to climb it. Even so, with the feelings of women who could not "worship", such as "Yohai", worship, which is an expression of the desire to get closer, and the womb tour, which represents reincarnation, "Yohai" is now gaining popularity as a scenic spot. It is a tour to go around "Yohai" place and "Lava tree type (inside the womb)" with a sense of adventure by mountain bike or E-Bike.
